

Please remember .Those needing our prayers.

Diane and Michael Fanstone.

Martin and Mavis Prater.

Mike Butler

Alan Wood

June Samet

Marion Foster Ian and Sylvia's Angel's son-in-law Daniel.

Mitchell and Family.

Andrew, nephew of Vic and Anne

All those suffering long term physical and mental health problems

Prayer

Thank you for ordinary days Lord, for the comfort and peace of regular routines in a regular day.

We pray for those living through a scary day, filled with hospital tests, results and procedures; upset days of loss and sadness.

Help us to remember you are with us every hour.

When we are filled with this knowledge, may we recognise the specialness in ordinary days. Amen
